Dear Parents and Guardians,  
Greetings to one and all!

February 14, 2022

We have come to the end of the academic session 2022-23. It is sad that the children of the lower sections of our school have not seen the school classrooms. However, our dedicated teachers have tried their best to impart virtual learning through online classes for the past two years. We are grateful to you, dear parents, for supporting and strengthening our efforts to impart quality education to your children.

Most likely, all of you are aware that Loyola School, Telco will officially be taken up by Loyola Jamshedpur Society and this school will be the unit of Loyola Jamshedpur w.e.f. April 01, 2022. In this new academic year 2022-23, the school will accommodate all the students from LKG to Std. VII. Anticipating your continued support and cooperation, we wish all our children – “**All the best**” – in this new academic session. We hope and trust that we would soon get the good news of reopening with **OFFLINE CLASSES**.
