Dear Parents/Guardians,

Gratefulness creates a positive attitude towards life and opens up joyful ways to find God even in small things. There is a time for everything, time for joy, time for sadness, time for sowing, time for reaping, time for working, time for meeting and time for departing.

At the outset, I take this opportunity to thank the Almighty who blessed me to extend my services in this new upcoming school since May 2018. I had been in this great Loyola family for more than four years. I have seen this school growing brick by brick and coming into its beautiful ambience for learning. However, it has miles to go to become a full-fledged school. I believe every impossible work will be made possible with your constant support and trust. Surely you will be a witness for continuous development of this great institution.

Dear Parents/Guardians, there is no doubt that you were the pillar of strength to support us by entrusting your wards to our school even in the challenging times. You have trusted our Jesuit education as a result the number of the students are growing year by year which is very much encouraging in imparting quality education to our children. We all have the equal responsibility and partnership to form our loving students into responsible citizens for tomorrow's society. I have fond memories of love and admiration to carry along with me as I received so many lovely handmade cards from my dear students, parents and teachers. It means a lot to me. You all were very close to me. I look forward the same support and cooperation to the school administration and teaching staff to achieve our common goal and limitless dreams of life.

It is with mixed emotions that I write to inform you that I have been transferred to Loyola school in Baripada district of Odisha. On a brighter note, I am delighted to announce that Mrs. Charanjeet Ohson has been appointed as my successor to carry forward the legacy of Jesuit education to its greater heights. She has worked in Loyola School, Bistupur for 25 years. Surely the school will benefit from her experience of long service and the association with the Jesuits. On the offset, I take this opportunity to inform you that Fr. Gerry SJ, the treasurer will head the school and reside in the campus in the capacity of Administrator of the school. My best wishes to both and the faculty. I am hopeful that all of you will cooperate and support them wholeheartedly.

May God bless you abundantly and keep you safe. Jai Loyola.

Fr. Sushil Suman, SJ  
Outgoing Principal
